- \$20 BCA Sanction Fee
- \$10 Seasonal Fee — goes toward the league pot
- Fees are charged on week 5 of play.
- Weekly dues: \$10 per player, per week played.
- If a player is already BCA sanctioned elsewhere, notify DVPL so the sanction can be confirmed, and the player is not charged again.
- BCA sanctioning paid during the current calendar year remains valid for the applicable tournament year.

- Remind your players of the fees in advance. After 2 games, the BCA fee is due (\$20 and if not sanctioned). On week 5 of play, the Seasonal and Scorekeeper fees are charged.

1B. Payment & Scoresheet Procedures

- **Captains send one combined team payment and include the breakdown by player; no individual player payments.**
- If a captain pays with cash, make sure it is clearly written on the score sheet.
- Uncollected player charges are deducted from the team's payout.
- Make sure your scoresheet is filled out completely and email or text it to DVPL after your match.
 - Team number
 - Each round's total should be 60 points between the teams. The final total for all 4 rounds should be 240 (60 points x 4 rounds).

2. LMS / BCA / FARGORATE

- DVPL reports results to FargoRate through LMS. Scores are entered manually (See Open Master Rules #1)
- FargoRate allows players to see their current rating and matches played.
- FargoRate standings and averages will not match DVPL because the scoring systems are different.

3. RULES REVIEW & REMINDERS

Handicap: Current rule is 150%.

3B. Important Rule Reminders

We will be releasing our 2026 Master Rules document.

We are once again addressing ongoing unsportsmanlike behavior from a small number of players.

Despite repeated discussions, warnings, and financial penalties, the behavior continues. Effective immediately, any player with pending warnings who continues to act in a disruptive, disrespectful, or unsportsmanlike manner may be removed from our league and asked to participate elsewhere.

Respect, sportsmanship, and good conduct are not optional. Thank you for helping us maintain a positive environment for all players.

3C. New Round rule

- **To help minimize the possibility of sandbagging, effective this session, the winner of the final total round will receive a score of 2 as their final count (the final round will be 6 points, added to Master Rules 9A).**
